playgrounds for
SCHOOLS

"Play is the highest form of Research"
 –Albert Einstein

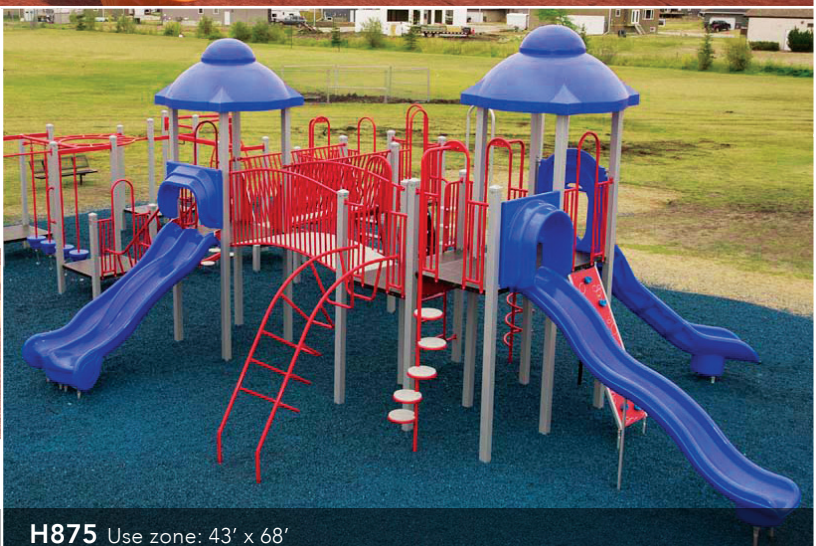

Quality physical education along with daily recess is essential for every child. Each school is different with custom requirements for playgrounds. Our unique designs will fulfill diverse needs and fit any space. Select from a wide range of colors including natural, primary, and brilliant palettes. We recommend a Buddy Bench (a welcoming place for any child whose feelings have been hurt) for all schools.

playgrounds for
HOMEOWNERS

Sometimes we just want to sit back and enjoy our kids at play. Benches are perfect for outdoor supervision. We also recommend including a sign with specifications about age appropriateness, surfacing, and manufacturer.
